▲ **Cotton Cool** Once you've seen these towels, there'll be no turning back. Mungo Design, based in Plettenberg Bay, has stolen our hearts with their range of Interlace 100-per-cent cotton towels. They are really lightweight with a wide linen border and best of all, come in lustworthy shades, like deep charcoal and faded lilac. The Conran Shop recently ordered a batch of their summery Continental towels. ■ Mungo Design, Old Nick Village, Plettenberg Bay; 044 533 1395
